P. HACKETT, CLERK  
U.S. DISTRICT COURT  
MIDDLE DISTRICT ALA

I would like to thank you for allowing Mr. Thweatt to answer the letter that I wrote you. Judge Thompson I understand that you are busy and I am not the only one to stand before you. But your Honor would you please take time out of your busy schedule and answer my letter. Allow me to get to the point. Your Honor I would like to request that my case be dismissed if possible. The reasons for me asking is this:

① Judge Thompson like I tolded my attorney Kevin Butters, the prosecutor Christopher Snyder and Special Agent Tom Montgomery from Homeland Security. I was blackmailed by Mr. Kevin Brown. Had he not had some thing hanging over my head I would have not done it. I'm the one who got

Tired. He even wanted me to accept a house that Irma offered ~~me~~ me. I wasn't given to move to another state with him. Judge Thompson I admit I cashed the checks. But as soon as I cashed them I handed the envelopes to Mr. Brown. A \$2,000.00 check came in Oct or Nov. and December 31st me and my children sitting in a house with nothing. The doctor that I went to ~~the~~ at South Butler Medical Center gave us a Christmas tree and a dinner along with \$20.00. Any one who know me can tell you that my children are my weakness. Won't you think that I would have made sure that they had a good Christmas. He made me quit my job in Baldwin Co. A job that I loved and the people there loved me. You can ask my probation officer Kevin Wudick from the Southern District. On another thing I only had a few more months left on probation. Sometimes I say if only I had taken that house I'll be free. Mr. Brown had a strong hold on me. I was between

a rock and a hard place. Judge Thompson I am going to closed my letter with this. I was always tolded by my father Oon Scott that I would have a house full of children because I never like little kids. And he and my grand mother Annie Washington tolded me Ann (as they call me) Oup things you do for your family and children. You only live to keep peace, to protect or save some-one life, because you only have one life and man can do alot of things but he cant give life. And the other thing don't be like the rabbit when danger come run off and leave her little ones, you be like the hen who will fight you to protect her bittys. My grandmother took me to the back of the field and showed me how the rabbit run off and leave her children. Then she took me to the chicken yard and show me how the hen protect her bittys I have the ocar on my neck to prove it. If I am guilty of

any thing it is for protecting my  
children. Mr Brown spent the money  
the way he wanted to. In my discovery  
there is an interview from his Aunt Betty  
Rodgers. Please take time to read it.  
My attorney has a copy of it. Special  
Agent Tom Montgomery was the interviewer.  
Well I'll go now. Hope to hear back  
from you.

Thanks  
Aletia Adrienne Scott
